SEC. 602(b)(11). ANNUAL REPORT ON USE OF SPECIAL IMMIGRANT STATUS.—

- (A) **REQUIREMENT.**—Not later than 120 days after the date of the enactment of this Act, and annually thereafter, the Secretary of Homeland Security shall submit to the appropriate committees of Congress a report on the number of citizens or nationals of Afghanistan or Iraq who have applied for status as special immigrants under this subsection or section 1244 of the Refugee Crisis in Iraq Act of 2007 (Public Law 110-181; 122 Stat. 396).

 - (II) by the number of spouses and children of principal aliens applying for such status.
 - (ii) The number of applications referred to in clause (i) that—
 - (I) were approved; or
 - (II) were denied, including a description of the basis for each denial.

II. Data Report

Cases Pursuant to Section 1244 of the Refugee Crisis in Iraq Act of 2007 and Section 602 of the Afghan Allies Protection Act of 2009

The table below shows the number of individuals who applied for status as special immigrants in FY 2019 under the programs authorized by Section 1244 of the Refugee Crisis in Iraq Act of 2007 and Section 602(b) of the Afghan Allies Protection Act of 2009.

FY 2019

	Section 1244 of the Refugee Crisis in Iraq Act of 2007		Section 602(b) of the Afghan Allies Protection Act of 2009		Grand Total

I-360 Revoked ⁶	11	N/A	109	N/A	120

¹ USCIS adjudicates Form I-360, Petition for Amerasian, Widow(er), or Special Immigrant, for Iraqi and Afghan principal aliens only. USCIS does not adjudicate Form I-360 petitions for dependents. Qualifying family members are considered at the time of the principal alien's interview process overseas by the appropriate U.S. embassy or consulate or when the dependent adjusts status through the filing and approval of Form I-485.

² This data represents visas issued by the Department of State (DOS) and USCIS adjustments of status in FY 2019, which may include visas for principal applicants whose I-360 petitions were approved in FY 2018 or FY 2019.

³ Some petitions approved, denied, admin closed, or revoked may have been received in the previous reporting period.

⁴ This data refers to the petitions denied due to the following reasons: lack of valid Chief of Mission approval letter; lack of proper identification; failure to sign the I-360; lack of valid supervisor or flag officer's letter of recommendation; and failure to respond to a Request for Evidence issued by USCIS in the course of its adjudication of the I-360 petition. It does not include the number of visa requests denied by DOS.

⁵ Admin Closed refers to petitions that have been closed for reasons not related to the petitioner's eligibility (petitioner withdrew petition, government discovered multiple petitions from same petitioner, interview cancelled at petitioner's request without prejudice to refiling, etc.).

⁶ All I-360 petition revocations were based on recommendations from a U.S. embassy or consulate.

NOTE: The preceding table captures only cases filed and those with a final adjudicative action—approved, denied, administratively closed, or revoked—during the given fiscal year per the statutory reporting requirement. The table in this report does not capture those steps in the special immigrant process that are managed by DOS.
