What Is the Purpose of This Form?

The principal purpose of this form is to solicit information to secure a duly authenticated certification of honorable active duty service from the U.S. Government Executive Department, under which you served or are serving, to satisfy statutory requirements for naturalization as a U.S. citizen.

Submission of the information is voluntary. If your Social Security number requested on the form is not provided, no right, benefit or privilege will be denied for such failure. However, as military records are indexed by such numbers, verification of your military service may prove difficult.

If you are applying for naturalization under Sections 328 or 329 of the Immigration and Nationality Act, you should submit this form and Form G-325B, Biographic Information, with your Form N-400, Application for Naturalization, to the Bureau of Citizenship and Immigration Services (CIS).

What Is Our Authority for Collecting This Information?

Our authority for collecting the information requested on this form is contained in Sections 328 and 329 of the Immigration and Nationality Act of 1952 (8 U.S.C. 1439 and 1440).

All or part of the information solicited may as a matter of routine use be disclosed to courts exercising naturalization jurisdiction and to other Federal, state, local and foreign law enforcement and regulatory agencies, the Department of Defense, including any component thereof, Selective Service System, Department of State, Department of the Treasury, Central Intelligence Agency, Interpol and individuals and organizations that process the application for naturalization, or during the courses of investigation, to elicit further information required by the CIS to carry out its functions.

Information solicited that indicates a violation or potential violation of law, whether civil, criminal or regulatory in nature, may be referred as a routine use to the appropriate agency, whether Federal, state, local or foreign, charged with the responsibility of investigating, enforcing or prosecuting such violations.

Failure to provide any or all of the solicited information may delay the naturalization process or result in a failure to locate military records or prove qualifying military service.

Paperwork Reduction Act Notice.

Instructions to Certifying Officer

Persons who are serving or have served honorably under specified conditions in the armed forces of the United States, inclusive of the reserve components of the armed forces of the United States, are granted certain exemptions from the general requirements for naturalization. The law requires such service to be established by a duly authenticated copy of the records of the executive department having custody of the record of service, showing whether the service man or woman served honorably in an active-duty status, reserve-duty status, or both, and whether each separation from the service was under honorable conditions. For that purpose, the certified statement on Page 2 of this form, executed under the seal of your department, is required and should cover not only the period(s) of service shown above, but any other periods of service (active, reserve or both) rendered by the service man or woman.

Page 2 of this form should be completed, or the information called for furnished by separate letter, and the form and letter returned to the office of the Bureau of Citizenship and Immigration Services at the address in the box immediately below.
