FOR THE ASSOCIATE COMMISSIONER,  
EXAMINATIONS

Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The application was denied by the Acting District Director, Miami, Florida, who certified his decision to the Associate Commissioner, Examinations, for review. The acting district director's decision will be affirmed.

The applicant is a native and citizen of Cuba who filed this application for adjustment of status to that of a lawful permanent resident under section 1 of the Cuban Adjustment Act of November 2, 1966. This Act provides for the adjustment of status of any alien who is a native or citizen of Cuba and who has been inspected and admitted or paroled into the United States subsequent to January 1, 1959, and has been physically present in the United States for at least one year, to that of an alien lawfully admitted for permanent residence if the alien is eligible to receive an immigrant visa and is admissible to the United States for permanent residence.

The acting district director found the applicant inadmissible to the United States because he falls within the purview of section 212(a)(2)(C) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1182(a)(2)(C) for having been convicted of a violation of a law relating to controlled substances. The acting district director, therefore, concluded that the applicant was ineligible for adjustment of status and denied the application.

The applicant has provided no statement or additional evidence on notice of certification.

Section 212(a)(2) of the Act, 8 U.S.C. 1182(a)(2), provides that aliens inadmissible and ineligible to receive visas and ineligible to be admitted to the United States include:

(A)(i) Any alien convicted of, or who admits having committed, or who admits committing acts which constitute the essential elements of --

\* \* \*

(II) a violation of (or a conspiracy or attempt to violate) any law or regulation of a State, the United States, or a foreign country relating to a controlled substance (as defined in section 102 of the Controlled Substances Act, 21 U.S.C. 802).

\* \* \*

(C) Any alien who the consular officer or immigration officer knows or has reason to believe is or has been an illicit trafficker in any such controlled substance or is or has been a knowing assister, abettor, conspirator, or colluder with others in the illicit trafficking in any such controlled substance, is inadmissible.

The record reflects that on September 18, 1984, in the 248th District Court, Harris County, Texas, Cause No. 402221, the applicant was convicted of possession with intent to deliver a controlled substance (cocaine). He was sentenced to 4 years of confinement in the Texas Department of Corrections. Imposition of sentence was suspended, and he was placed on probation for a period of 4 years and ordered to pay a total of \$341 in fines and costs. On July 22, 1987, the court terminated the applicant's probation and ordered that the judgment of conviction be set aside.

Despite the dismissal of the conviction, the Board, in Matter of Roldan, Int. Dec. 3377 (BIA 1999), determined that under the statutory definition of "conviction" provided at section 101(a)(48)(A) of the Act, 8 U.S.C. 1101(a)(48)(A), no effect is to be given in immigration proceedings to a state action which purports to expunge, dismiss, cancel, vacate, discharge, or otherwise remove a guilty plea or other record of guilt or conviction by operation of a state rehabilitative statute.

The applicant, therefore, remains convicted of the crime of possession with intent to deliver (trafficking) a controlled substance. Based on this conviction, he is inadmissible to the United States pursuant to section 212(a)(2)(C) of the Act. There is no waiver available to an alien found inadmissible under this section.

The applicant is ineligible for adjustment of status to permanent residence pursuant to section 1 of the Act of November 2, 1966. The decision of the acting district director to deny the application will be affirmed.

**ORDER:** The acting district director's decision is affirmed.
