FOR THE ASSOCIATE COMMISSIONER,  
EXAMINATIONS

Robert P. Wiemann, Acting Director  
Administrative Appeals Office

**DISCUSSION:** The delivery bond in this matter was declared breached by the District Director, Los Angeles, California, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The record indicates that on July 1, 1998 the obligor posted a \$15,000 bond conditioned for the delivery of the above referenced alien. A Notice to Deliver Alien (Form I-340) dated September 9, 1999 was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's surrender to the Immigration and Naturalization Service (the Service) for removal at 10:45 a.m. on October 26, 1999 at 300 North Los Angeles Street, Room 7621, Los Angeles, CA 90012. The obligor failed to present the alien, and the alien failed to appear as required. On December 3, 1999, the district director informed the obligor that the delivery bond had been breached.

On appeal, counsel asserts that the matter is currently under investigation and it appears that the bonded alien may not have received proper notice of his deportation date and upon receipt of additional information brief will be supplied. More than one year has elapsed since the appeal was filed and no new information has been entered into the record. Therefore a decision will be entered based on the present record.

It should be noted that the present record contains evidence that a properly completed questionnaire with the alien's photograph attached was forwarded to the obligor with the notice to surrender pursuant to the Amwest/Reno Settlement Agreement, entered into on June 22, 1995 by the Service and Far West Surety Insurance Company.

An immigration bond is a contract solely between the Service and the obligor. Delivery bonds are violated if the obligor fails to cause the bonded alien to be produced or to produce himself/herself to an immigration officer or immigration judge, as specified in the appearance notice, upon each and every written request until removal proceedings are finally terminated, or until the said alien is actually accepted by the Service for detention or removal. Matter of Smith, 16 I&N Dec. 146 (Reg. Comm. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. 103.6(c)(3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. 103.6(e).

8 C.F.R. 103.5a(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;

(iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;

(iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The bond (Form I-352) provides in pertinent part that the obligor "agrees that any notice to him/her in connection with this bond may be accomplished by mail directed to him/her at the above address." In this case, the Form I-352 listed [REDACTED], #386, Fremont, CA 94539 as the obligor's address.

Contained in the record is a certified mail receipt which indicates that the Notice to Deliver Alien was sent to the obligor at [REDACTED] Boulevard, [REDACTED] Fremont, CA 94539 on September 9, 1999. This notice demanded that the obligor produce the bonded alien for removal on October 26, 1999. The receipt also indicates the obligor received notice to produce the bonded alien on September 25, 1999. Consequently, the record clearly establishes that the district director properly served notice on the obligor in compliance with 8 C.F.R. 103.5a(a) (2) (iv).

Furthermore, it is clear from the language used in the bond agreement that the obligor shall cause the alien to be produced or the alien shall produce himself to a Service officer upon each and every request of such officer until removal proceedings are either finally terminated or the alien is accepted by the Service for detention or removal. The bond agreement is silent as to any requirement compelling the Service to notify the obligor of all bond-related matters, despite the obligor's assertion to the contrary. Similarly, neither the statute, the regulations, nor administrative case law provide support for the obligor's allegation that the Service is required to notify the obligor of all bond-related matters.

It must be noted that delivery bonds are exacted to insure that aliens will be produced when and where required by the Service for hearings or removal. Such bonds are necessary in order for the Service to function in an orderly manner. The courts have long considered the confusion which would result if aliens could be surrendered at any time or place it suited their or the surety's convenience. Matter of L-, 3 I&N Dec. 862 (C.O. 1950).

After a careful review of the record, it is concluded that the conditions of the bond have been substantially violated, and the collateral has been forfeited. The decision of the district director will not be disturbed.

**ORDER:** The appeal is dismissed.
