## United States Senate

WASHINGTON, DC 20510

November 14, 2022

The Honorable Alejandro Mayorkas Secretary Department of Homeland Security Washington, D.C. 20528

**RECEIVED** By ESEC at 2:08 pm, Nov 14, 2022

Dear Secretary Mayorkas:

I write regarding TikTok and its Chinese parent company, ByteDance, and their use of H-1B guest worker visas for employees who might have ties to the Chinese Communist Party (CCP). TikTok captures vast amounts of private information on users, including American citizens, and has long been suspected of providing the CCP with potential access to that information. This threatens the safety and security of American citizens, and also functions as an avenue for the Chinese government to track the locations of and develop blackmail on Federal employees and contractors.

In response to security and espionage concerns, TikTok claims that it stores "all TikTok US user data in the United States," and that its "data centers are located entirely outside of China."<sup>1</sup> In a Senate hearing, TikTok's vice president added that TikTok has a "US-based security team that handles access to user data."<sup>2</sup> However, recent public reports indicate that sensitive data on American users of TikTok has been accessed from within China,<sup>3</sup> that Beijing-based employees of ByteDance have targeted specific American users for surveillance,<sup>4</sup> and that at least 300 TikTok and ByteDance employees are also current or former employees of Chinese state media.<sup>5</sup>

In 2022 alone, DHS has approved over 570 new and continuing H-1B visas for foreign individuals to work at ByteDance and TikTok's offices in California.<sup>6</sup> Given the security concerns with TikTok and the company's repeated statements about "US-based" teams and data centers, having hundreds of foreign nationals working in those offices presents another potential threat. For each H-1B application sponsored by ByteDance or TikTok in 2022, please provide a list of the nationalities and job titles of each applicant employee no later than 5:00PM on Tuesday, November 15.

I look forward to your prompt response.

Sincerely,

Tom Cotton United States Senator

December 5, 2022

The Honorable Tom Cotton United States Senate Washington, DC 20510

Dear Senator Cotton:

Thank you for your November 14, 2022 letter to the U.S. Department of Homeland Security. Secretary Mayorkas asked that I respond on his behalf.

In Fiscal Year 2022, U.S. Citizenship and Immigration Services (USCIS) approved 701 petitions (Form I-129, Petition for Nonimmigrant Worker) under the H-1B classification for new and continuing employment of foreign noncitizens to work at ByteDance and TikTok, which included 445 China nationals, 202 India nationals, and 54 nationals from other countries. Each of these cases was adjudicated in accordance with all relevant statutes and regulations. Please see the attached Excel spreadsheet for a detailed listing of number of workers by country of birth and job title. As part of our agency's commitment to transparency, this information is also publicly available at https://www.uscis.gov/tools/reports-and-studies/h-1b-employer-data-hub.

Thank you again for your letter and interest in this important issue. Should you require any additional assistance, please have your staff contact the USCIS Office of Legislative Affairs at (240) 721-3801.

Respectfully,

la M. Jordo

Ur M. Jaddou Director

## Note(s):

1) This report reflects the most up to date data available at the time the database is queried.

2) Counts may differ from those reported in previous periods due to system updates and post-adjudicative outcomes.

3) Job Title is populated in Part 5, Question 1 on the Form I-129. If this field is not filled out by the petitioner or data entered into the system, it is grouped as "Unknown" in this report.

4) This report excludes petitions where Part 2, Question 2 of Form I-129 indicates the filing is an "Amended Petition". This is done to exclude duplicate filings for the same beneficiary.
