Motion on Administrative Appeals Office Decision

Form I-140, Immigrant Petition for Alien Worker (Extraordinary Ability)

The Petitioner, a make-up artist, seeks classification as an individual of extraordinary ability. *See* Immigration and Nationality Act (the Act) section 203(b)(1)(A), 8 U.S.C. § 1153(b)(1)(A). This first preference classification makes immigrant visas available to those who can demonstrate their extraordinary ability through sustained national or international acclaim and whose achievements have been recognized in their field through extensive documentation.

The Director of the Nebraska Service Center denied the petition concluding that the Petitioner did not establish that she satisfies the initial evidentiary requirements for this classification. The Director affirmed his decision on motion, and we dismissed the Petitioner's subsequent appeal of that decision. The matter is now before us on a combined motion to reopen and motion to reconsider. The Petitioner requests that we reopen the matter *sua sponte* and order the approval of her immigrant petition.

U.S. Citizenship and Immigration Services (USCIS) records reflect that the Petitioner in this matter is also the beneficiary of an approved Form I-130, Petition for Alien Relative. USCIS approved the Petitioner's Form I-485, Application to Register Permanent Residence or Adjust Status, and she was granted conditional permanent residence on February 2, 2021, subsequent to filing the instant motion.

Because the Petitioner is now a permanent resident, further pursuit of this matter would be moot. Accordingly, we will dismiss the combined motions.

ORDER: The motion to reopen is dismissed.

FURTHER ORDER: The motion to reconsider is dismissed.
