APPEAL OF TEXAS SERVICE CENTER DECISION

PETITION: FORM I-140, IMMIGRANT PETITION FOR ALIEN WORKER

The Petitioner, a native and citizen of Bangladesh, seeks classification as a member of the professions holding an advanced degree. *See* Immigration and Nationality Act (the Act) section 203(b)(2), 8 U.S.C. § 1153(b)(2). The Petitioner also seeks a national interest waiver of the job offer requirement that is attached to this EB-2 immigrant classification. *See* section 203(b)(2)(B)(i) of the Act, 8 U.S.C. § 1153(b)(2)(B)(i). U.S. Citizenship and Immigration Services may grant this discretionary waiver of the required job offer, and thus of a labor certification, when it is in the national interest to do so.

The Director of the Texas Service Center denied the petition. The matter is now before us on appeal. Upon review, we will summarily dismiss the appeal.

An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically an erroneous conclusion of law or statement of fact for the appeal. 8 C.F.R. § 103.3(a)(1)(v).

The Petitioner did not provide a statement in support of the appeal that specifically identifies an erroneous conclusion of law or fact in the decision being appealed. Instead, the two-sentence statement submitted with the appeal is general and vague. On the Form I-290B, Notice of Appeal or Motion, the Petitioner stated that a brief or additional evidence would be submitted within 30 days of the October 3, 2016, filing date. However, we have not received anything further from the Petitioner to date. Because the Petitioner has not identified a specific, erroneous conclusion of law or statement of fact in the Director's decision below, the appeal must be summarily dismissed.

ORDER: The appeal is summarily dismissed pursuant to 8 C.F.R. § 103.3(a)(1)(v).
