Appeal of Nebraska Service Center Decision

Form I-140, Immigrant Petition for Alien Worker (Advanced Degree, Exceptional Ability, National Interest Waiver)

The Petitioner, a brand ambassador, seeks second preference immigrant classification as a member of the professions holding an advanced degree, as well as a national interest waiver of the job offer requirement attached to this EB-2 classification. *See* Immigration and Nationality Act section 203(b)(2), 8 U.S.C. § 1153(b)(2).

The Director of the Nebraska Service Center denied the petition, concluding that the Petitioner qualified for classification as a member of the professions holding an advanced degree but that the Petitioner had not established that a waiver of the required job offer, and thus of the labor certification, would be in the national interest.

U.S. Citizenship and Immigration Services records indicate that, after the Petitioner filed this appeal, he filed another Form I-140, Immigrant Petition for Alien Worker, seeking EB-2 classification as a brand ambassador and a national interest waiver, and that the petition was approved. Because the Petitioner has been granted EB-2 classification as a brand ambassador and a national interest waiver, further pursuit of the matter at hand is moot.

ORDER: The appeal is dismissed.
